LAND PURCHASE APPROVED FOR PROPOSED NEW AIRPORT

Attempting to look some distance into the future, Town Council took steps last week to endeavor to obtain a Department of Transport approved airport for the community. Council approved the expenditure of $5,000 to obtain land options just north of Drayton Valley for the proposed 5,000 foot air field.

At a special meeting Thursday evening Council reviewed the proposal that has been under consideration for the past several weeks. Also present was Industrial Development Co-ordinator Don Vanstone who has undertaken considerable research on the airport potential.

The special meeting was called to raise the option fund from $2,000 allocated at an earlier meeting. Town representatives negotiating for two quarters and another fraction near the golf club found the earlier sum insufficient and requested the increase to $5,000.

Council approved the request with Councillor Swendseid registering a negative vote. In opposing the move Mr. Swendseid stated that insufficient evidence had been presented to convince him that the airport would be economically feasible.

Other members appeared to feel that the $5,000 gamble was a risk worth taking for the future of the community. It was pointed out that D.O.T. will not approve airports unless convinced of their economic potential.

To obtain D.O.T. approval the land must first be owned by the municipality involved. If approved, all costs other than land, will be paid by the Department of Transport.

Total cost to the town is expected to be $50,000 or $60,000 with D.O.T. providing in excess of $100,000 for construction and paving of the runway.

D.O.T. representatives were in the town recently and after examining the proposed site stated it was an excellent selection.

Lions Install New Officers

New officers of the Drayton Valley Lions Club were installed at a regular meeting in the Cardium Room last Tuesday evening.

Heading the slate is Bert Telford who took over as president from Ritchie Woods. The installation ceremony was performed by Adam Eckert assisted by Fred Schipper.

Mr. Woods spoke briefly, thanking members for their help during his term of office. Mr. Telford, in accepting the gavel of office, called on Lions to freely offer their time and help in projects of the future designed to help remove the heavy debt load created by the construction of rodeo grounds in the West Valley Park.

Other officers elected include: 1st Vice President, Neil White; 2nd Vice President, Chris Kaytal; 3rd Vice, Ross Betton; Treasurer, Rick Tufts; Secretary, Wes Hulick; Lion Tamer. Kris Steffanson; and Tail Twister, Dutch Van Dorp.

Fred Kaarsemaker is the incoming Zone Chairman, replacing Fred Schipper.

Members of the Board of Directors are Ross Lyle, Ed Feniak, Jim Streit, Ken Hamilton and Arlo Johnson.

Today is Moving Day For Paper

By the time this paper is in the hands of readers we expect The Western Review's move to new quarters to be well underway.

The Western Review has purchased the building formerly occupied by Mickey's Equipment and completed renovations during recent weeks. Several pieces of new equipment are arriving Wednesday morning, June 24th, and heavy equipment from the present shop will be moved the same day.

New equipment being installed includes a 10 x 15 Hiedelberg printing press and an Oswego power paper cutter. Arriving a little later are additions to our photo offset equipment and an Intertype typesetting machine.

Improved layout and dark room facilities have been built into the new premises and we expect the move to greatly facilitate our ability to serve commercial printing customers and advertisers.

The present building, a real link with Drayton Valley's early history, appears to have served its usefullness and will be demolished.

Buck Mountain Fish Derby Big Success

The first annual Buck Mountain Fish Derby held on Buck Lake, June 12th to 15th was a huge success, already becoming Alberta's second largest derby with nearly 400 hardy fishermen attending, even though weather conditions were adverse due to many sudden thunder showers.

The derby was conceived by members of the fish committee and members of the Breton and District Fish and Game Association.

It was noted that entries came from such distant points as California, Montana, Manitoba and Saskatchewan and from points all over Alberta.

First prize money in two out of three events was won by J.A. Leslie of Ponoka with a 7 lb. 1 oz. pike and a 1 lb. 4 oz. perch. He also earned $10 for the largest fish taken daily giving Mr. Leslie a grand total of $210.00.

A 4 lb. 6 oz. Walleye won

HOLIDAY WEDNESDAY

With the July 1st holiday falling this year on a Wednesday The Western Review will advance publication by one day and distribute the paper for this occasion on Tuesday, June 30th.

The abbreviated week will put quite a load on our staff Monday, June 29th and it would be greatly appreciated if advertisers and news correspondents could arrange to have copy reach us before the weekend.

Deadline for all copy, for this occasion only, will be Monday noon.

Tom Johnson Named Socred Candidate

About sixty members of the Drayton Valley Social Credit Constituency Association were present at a nomination meeting in the Elks Hall last Friday evening that saw Mayor Tom Johnson of Drayton Valley elected to carry the Socred banner in the next provincial election.

Mr. Johnson, nominated by Mr. Ken Gailey of Buck Creek, was unopposed and declared elected by acclamation by Mr. Orvis Kennedy, Social Credit League organizer. The meeting was chaired by Mr. Dale Cartwright, vice-president of the constituency association.

Mr. Kennedy outlined conditions leading up to the nomination meeting, that came as something of a surprise to residents, other than members of the association. The organization, Mr. Kennedy said, does not attempt to attract attendance with a great deal of fanfare prior to the nomination.

Candidates are required to have been enrolled at least one month prior to the meeting. Members were advised of the meeting twenty-one days in advance and membership sales closed seven days prior to the nomination meeting.

Candidates were required to give fourteen days notice of intent to seek nomination, although floor nominations are permitted and were called for at Friday's meeting.

In his acceptance speech, Mr. Johnson, a 17 year member of the party, stated that economic ills were the gravest problems facing the country at the present time. The problem to be tackled he said, was getting capital circulating for the development of natural resources.

He indicated that he intended to work for the location of industry in the area. Another item of concern, he said, and one

COMMITTEE RE-AFFIRMS DISMISSAL

At the regular meeting of the County of Parkland School Committee on Tuesday, June 16th, the decision to terminate employment of Spruce Grove teacher Mr. Brian R. Bernard, was reaffirmed.

The matter was discussed in detail and the representation of a delegation of parents heard by the committee. A letter, with a list of 140 names of Spruce Grove and district residents endorsing the school committee's action, was also considered and tabled.

In re-affirming its earlier ruling to terminate Mr. Bernard's contract, the committee indicated that no new evidence had been presented to change its decision.

Pembina River Daze Planned At Evansburg

A highlight of the Pembina Valley Daze to be held at Evansburg Saturday, July 4th, will be the formal opening of the Pembina-Lobstick Historical Society Museum.

The opening ceremony is scheduled for 12 noon with M.L.A. Ralph Jesperson of Stony Plain taking part.

Other features of the big weekend will be a teen dance Friday evening and heading the events of Saturday, a free pancake and sausage breakfast on main street.

A gala parade, starting at 10:30, will be followed by the museum opening. A jackpot gymkhana will get underway at 1:00 p.m. as will a horseshoe toumament at the arena grounds.

Concessions and games booths will also be open at the arena.

A steak supper at the arena at 5:00 p.m. will be followed by a youth talent show. At 7:00 p.m. bingo will get underway at the Evansburg High School Gym.

Saturday's events will wind-up with a dance in the Legion Hall with golfers scheduled to arrive at the tee-head at 8:30 Sunday morning for the final event of the weekend, the Pembina Valley Golf Tournament.

Skin Divers Plan Meeting

Anyone interested in skin diving is asked to attend a general meeting on Thursday, June 25th at 8:00 p.m. in the Centennial Civic Centre. For further information phone Ross Lyle at 542-4712 after 5:00 p.m.

Land Purchase Approved

They noted that if D.O.T. approval were forthcoming, it would be for a 4,000 foot runway. If additional length is required it must be at the expense of other sources.

Council feels that a 5,000 foot runway is required. The Alberta Forestry Department has expressed interest in stationing water bombers here and a long runway is required to get the loaded bombers airborne.

Another user of the airport will be Galaxy Aviation presently located at Buck Creek, and prepared to invest heavily in hanger and maintenance facilities at the airport here, if approved.

Mr. Ken Gailey, owner of Galaxy , has indicated his business will be moved here and construction started as soon as the Department of Transport gives approval.

Mr. Gailey's firm, with ten to twelve employees, is presently converting aircraft for water bombing and doing annual inspections and repairs to other large aircraft. His firm also requires a long runway to test aircraft under full load conditions.

Mobil Oil of Canada was queried by Council members about the possibilities of using the airstrip west of town. It was pointed out that extension of the strip was not possible and hence would not qualify for D.O.T. assistance.

Mobil Oil also indicated that the strip was not available for sale and that it appeared suitable for traffic of the oil production companies involved in its ownership for the foreseeable future.

Cited as a disadvantage of the oil company strip is the fact that commercial flights are not permitted. Council was informed that commercial traffic could be quickly increased here, including an immediate start on a guiding service into the hunting and fishing areas west of Drayton Valley.

The community is on the flight path from the U.S. to Alaska and it is expected that considerable volume of traffic could be anticipated from this source and between Calgary and northern oil points.

On a long-range basis, and bearing in mind the ever-increasing importance of air transport, Town Council looks to the possibility of such an airport leading to the establishment of manufacturing or repair concerns adjoining the field.

Inquiries about possible use by a number of sources have been mailed out and a formal application is being forwarded to the Department of Transport. Council passed the necessary resolution for this purpose.

that would receive his attention if elected, is road improvements.

He pointed out the Buck Creek and Alder Flats roads as examples of the public road network that required a good deal of attention.

The N.D.P. has nothing to offer Albertans, Mr. Johnson said, and added that the Conservatives are "me toos".

"They have watched the Social Credit administration," he said, "and now say 'give us a chance, we can do as well' ". Hence Mr. Johnson's "me too" expression.

Guest speaker for the evening was Mr. Ralph Jesperson, M.L.A. for Stony Plain Constituency, who extended his congratulations to Mr. Johnson and the delegates, who he said, had made a good choice of candidate.

Principles, Mr. Jesperson said, have made the Social Credit Party what it is today and will continue to guide its future. The foundations laid in 1935 still guide the party today, he noted.

"Mr. Johnson," he said, "is joining the construction crew -- not the demolition crew."

Social Credit, he said, is far from dead and interest being shown across the province was cited as proof. The party, he added, is faced by a subtle force in the province and urged a guard against legarthy.

Mr. Jesperson went on to outline important pieces of legislation during his three years in office.

In the Walleye second prize of $35 was taken by Rudolph Jehn of Warburg who also took $10 day money. $20 third prize money went to J.J. Gurke of Edmonton, and third prize money in the perch event earned $20 for E. Maltais of Breton.

Another winner of $10 prize money for the largest fish taken daily went to George Kugyelka Sr. of Breton, and a free draw for the travel case and fishing tackle box was won by Terry Peterson of Breton.

KEEPHILLS NEWS

The recent rains have been appreciated here, as it seemed all the showers have scattered around us until recently. One inch of rain fell in less than an hour on Monday. Sunday evening also brought us 9/10ths of an inch.

A supper for the Porter families, followed by open house, was held at the Keephills Hall on June 14th in honor of Mr. and Mrs. Walter Porter's 25th wedding anniversary. A goodly number of friends and relations gathered to wish them well. In addition to the family gift, a collection of silver was given to them from the community.

Mabel Bryant returned home on Sunday after spending some time in the Drayton Valley Hospital.

Mr. Lauder of Devon was in the district on Monday of last week laying tile in the kitchen of the community hall. Mrs. Lauder visited with Mrs. Nora Dombrosky.

Donald Raymond of Edmonton visited relations here on Sunday.

Several from this area attended the rodeo at Drayton Valley on June 13th and 14th.

SUB-MITS
FROM THE ELEMENTARY SCHOOL

Some don'ts for parents who have children ready for school.

1. Don't allow anyone to tease the child about cross teachers. It frightens and upsets young children.
2. Don't try to teach him to read. You may spoil his interest in school. This includes having the school reader at home. Use other books to read to him.
3. Don't accept your child's criticism of his teacher until you have discussed the matter with her.
4. Don't assume your child did not deserve his punishment until you have heard the teacher's side of it.
5. Don't accept for gospel truth the "wild" stories the child relates about school or on the way. At his age vivid imaginations flourish well out of the reasonable bounds.
6. On opening day don't cry, even if you feel like it. If your child cries, just leave him with the teacher and walk away firmly. It would surprise you a half hour later to see him quiet and quite content.
7. Don't make a practice of walking to and from school with the child. He needs to learn independance and self-reliance. If there is a hazardous road crossing, teach him to negotiate it properly. Children can be most sensible and very reliable about these matters.
8. Don't expect your child to excel in all school subjects. Each child has different abilities and talents. It is your purpose and ours to discover these characteristics, and to develop them so that he will find his direction toward being a happy, successful and respected member of our country.

MENTAL MATURITY

All children do not stand
Or even wave their hand --
All children do not talk
Or even learn to walk
At the same age, you know,
And still, they are not slow.

If they do not learn to read
At the same rate of speed
Please go along with me
When I group them one, two, three.

Sincerely,
Olga Brown.

POLLUTION: Something Can be Done!

"Dirty Pictures" Contest

A province-wide "Dirty Pictures" contest to illustrate pollution problems in Alberta is being sponsored by S.T.O.P. (Save Tomorrow - Oppose Pollution) this summer. The purpose of the contest is to gather pictorial proof of some of the environmental problems here in Alberta.

Contest entries can be concemed with any type of pollution. A black plume of smoke, debris passing through the mouth of the river, even beer bottles along the highway.

Alberta's air, water and landscape is far from being clean, and this wholesale degradation must be stopped immediately. Being aware of pollution problems is step number one towards solving them, and the "Dirty Pictures" contest will help increase that awareness.

S.T.O.P. would like to stress that the contest will be province-wide. They are looking for environmental problems from Lloydminster to Cardston to Jasper to High Level, and everywhere in-between. Anyone, including amateur and professional photographers, is eligible to enter the contest with photos showing environmental problems (such as water and air pollution) within the boundaries of Alberta.

The fellow with the little box camera has just as much chance of winning as the guy with the sophisticated lenses and tripod.

Contest rules are as follows:

1. All entries must be submitted by mail to : Dirty Picture Contest, Box 1633, Edmonton 15, Alberta.
2. Entries to be postmarked not later than midnight, September 11,1970.
3. Anyone (including amateur and professional photographers) is eligible to enter the contest. A person may enter more than once.
4. Photos must show an environmental problem (such as water or air pollution) within the boundaries of the Province of Alberta.
5. The locale or source (not who but what) of the environmental problem must be identified, along with the date and approximate time the picture was taken.
6. Only "still pictures" will be considered. Slides, movies, illustrations, and other art forms will not be considered in the final judging.
7. Decision of the judges will be final.
8. Entries become the property of the sponsoring organization.
9. Winners will be announced Friday, September 18th, 1970.

LETTERS TO THE EDITOR

Editor,
The Western Review.

Dear Sir:

As I saw a letter in our paper complaining of the meals in the hospital, and I spent 21 days in there in the past 8 months, I felt it my turn to speak.

I have only gratitude for the hospital -- the cooks, the nurses and the doctors.

It is a pity we in Canada could not go and spend a few months in some of the underdeveloped countries.

Yours sincerely,
Mrs. James A. Smith,
Rocky Rapids, Alberta.

Editor,
The Western Review.

Dear Sir:

Each year thousands of dollars are spent by Drayton Valley businesses on advertising novelties; pens, ashtrays, etc., to be given to customers at Christmas. This may seem early in the year to be concerned with this matter but salesmen from various advertising firms are already taking orders for Christmas novelties.

If Drayton Valley businesses were to consider donating even half of the money to the O.O.R.P. fund for the Purple Pansey Senior Citizens Home this fund would receive a tremendous boost.

I sincerely hope that the businessmen of Drayton Valley and surrounding area will give this idea some thought, because a comfortable, clean home where an elderly person may live out his or her lifetime in comfort and dignity can mean much, much more than all the pens, ashtrays, etc., in the world.

Let's donate what each of us can to help, the O.O.R.P. in this building fund, and let the elderly citizens of Drayton Valley benefit.

Sincerely,
Wife of a D.V. Businessman

Dear Sir:

It has been said that gratitude is the most fleeting of human emotions. Fortunately this is not always true.

When you have assisted us from time to time through 1969 you probably received our thanks However, in reviewing our activities for that year the delegates attending our recent Annual Meeting moved a special vote of thanks to people such as you who continue to assist us in making known the services of Red Cross.

We wish to add our own personal thanks.

Yours sincerely,

Council Looks to Future

Canada is on the edge of a new air age and Drayton Valley Town Council took steps last week to endeavour to ensure a future for the community. They gambled $5,000 of your money on the possibility of Drayton Valley becoming an air centre in five, ten or twenty years from now when the full impact of air transport in a changing world reaches our part of the country.

We believe the gamble is a good risk.

Councils of the past have invested heavily in the community with thousands and thousands of dollars for paved streets and facilities on the basis of Drayton Valley staying here for awhile. The present council is risking a small sum actually, in trying to prepare for the day when another economic base might be required.

The whole plan hinges on the Department of Transport's decision. It will not be approved unless D.O.T. is convinced that the air centre will be an economically viable unit.

That is the gamble Council is taking -- that D.O.T. will say "yes". If not, the land could probably be resold and all or most of the investment recovered.

It could be a far-seeing move by Council that finds our community outpacing most others in the province. Or we might go down as hopeless dreamers. We believe the former is more likely to be the case.

What's in Store for Wilderness Areas?

Albertans have indeed been fortunate in having set aside at least some of its splendid mountainous areas, outside the National Parks as wilderness reserves. Our province can hardly compete with our western neighbour British Columbia in providing splendor, sheer solitude, clean mountain air, tumbling wild rivers, cliffs and glaciers. But precisely because we cannot afford to lose one acre of our mountain scenery, we must be doubly vigilant as to any future loss or mis-management of these regions.

Wilderness areas were set aside and defined in a legislative act which stated in one instance -- "The Park is dedicated to the use of the people of Alberta for their benefit, education and enjoyment, subject to this act and the regulations, and shall, by the management, conservation and protection of its natural resources and by the promotion of its natural beauty, be maintained for the enjoyment of future generations." - With this type of dedication it was thought that these lands were being set aside in perpetuity for generations yet unborn.

The parks, so glowingly dedicated, could be used for generations by outdoors lovers without destruction. However, inroads have already been made for coal and gas exploration and production and Willmore Wilderness is already sliced up and others threatened. How long will they remain wildernesses?

The truth of the matter is no nation or province no matter how large or well endowed with natural resources, it may be, can long afford to destroy land and use resources at the rate it is being done today.

The public must become aware and become involved. We must insist on the protection and retention of our parklands. With every encroachment within a Wilderness area another piece of our outdoors is lost forever. Without a strong public demand what future do our Wilderness Areas have?

Our government must be asked to protect these areas by implementing a policy covering Wilderness areas. They must further be asked to provide adequate legislation to protect our mountains and watershed from destruction during mineral development.

TOMAHAWK NEWS

The Tomahawk and District Club is raffleing a hard top tent trailer. Tickets will sell for $1.00 each or 6 tickets for $5.00. Two prizes will be given to the top ticket sellers. The one selling the most tickets will get $10 and the runner up will get $5. Art Welk is in charge of the tickets.

Don't forget the July 1st parade folks. Bigger and better than ever. The theme is "Hard Times" (from 1900 to 1970). Each float will pay $5 as entry fee. All monies collected as fees will be paid out in first, second and third prizes.

Everyone is welcome to enter the parade, but only the floats pay a fee. The parade will start at the Tomahawk School at 10 a.m. and end on the sports grounds. The main attraction will be the "Hobemma Girls Band". 55 girls dressed in white and blue beaded Indian outfits and attractive head-dress. You'll surely not want to miss them.

After the parade the picnic will progress at the sports grounds. Several ball games, races for the children and a fish pond, plus a lot of other attractions for all ages. And those interested in horse shoe will meet their match in a tournament.

Join your friends at the Dominion Day picnic and social, July 1st in your "Hard Times" costume. Everyone welcome.

Thanks to the men who helped with the new ball diamond. It is much appreciated. The Tomahawk and District Club is having a semi-social on July 3rd. Tickets are now available from board members. "The Oil Tones" will be playing for the dance.

Tomahawk July 1st picnic is the spot for an Alberta Harvester Horseshoe Tournament. George Pruden sales representative for Alberta Harvester Feeding Systems Ltd. is in charge of the Horseshoe Tournament. There will be trophies and prizes for the winners. Come out and have a game of horseshoes with your friends and relatives.

D. V. Highlights

By Mrs. Edith Deby

Sincere good wishes for future happiness go to Mr. and Mrs. Mike Renkus who were married in Edmonton on May 27th. Mrs. Renkus, who graduated this year from the U. of A. with a degree in Education, is the former Miss Linda Cathrea. She has a position on the Edmonton school staff for the coming year. Mr. Renkus will further his education at N.A.I.T.

It is good to see Mrs. Ruby Schramm about again. Mrs. Schramm was in hospital for several weeks during the winter and spring.

Michael Gormley is on a three week holiday to Quebec and the New England states. Since Michael has relatives that he wishes to see scattered all over this area the holiday will be a busy one. Michael hopes to squeeze out a few days to go on to Prince Edward Island.

Mr. and Mrs. Harry Zolmer were in town last week. Since Mr. Zolmer's retirement they have been travelling around B.C. with a view to settling in that province. They decided on Chilliwack and have bought a house there.

It is a disappointment to Mrs. Isobelle Hoyland's many friends that she will not be teaching in Drayton Valley next year. She has a position in Daysland.

Mr. and Mrs. Norman McKinley, formerly of Edmonton, have purchased the Glen Ranch at Lodgepole and a house in Drayton Valley and commute to their property on the Pembina.

Mrs. Robert Gordon was called to Calgary this week by the illness of her daughter, Mrs. McEachern.

Miss Louise Badham of Victoria, B.C. is visiting her brother, Constable Les Badham of the R.C.M.P. for ten days.

Tomato in Surprise Package

A home grown vine ripe tomato on June 20th?

Mrs. Arthur Welk of Tomahawk has a vine ripened tomato growing in the house on the kitchen window sill.

This poor plant had a very odd beginning. It was in a readdi-start box of Salvias. Before the Salvias came up, two tomato plants came up. They were transplanted in a pot of their own and continued to grow.

The one plant started to bloom and was sprayed with seedless set which helped produce the tomato. It grew very quickly and soon ripened into a 2 1/2" in diameter tomato.

Can you beat this?

Service Cancelled

There will not be a service on Sunday evening, June 28th at the Church of God. Pastor Snell will be speaking at 7:30 p.m. in the Wildwood Pentecostal Church where Howard Cameron is minister. Everyone welcome.

TOWN OF DRAYTON VALLEY

NOTICE
Re: Off-Street Vehicle Parking

The Zoning and Planning Bylaw No. 449 of the Town of Drayton Valley, Schedule "C" contains the following section governing the storage of motor vehicles in the residential area of the said town:

2. OFF-STREET VEHICLE PARKING REQUIREMENTS

(2) Storage of Motor Vehicles - in a Residential Area

(a) Only private automobiles, half-ton and three-quarter ton trucks and school buses may be parked on the streets providing no traffic hazards are involved.

(b) School buses and trucks of 9000 pounds tare weight and under may park in the rear of residential lots.

(c) Vehicles used to transport inflammable products or those of an offensive nature are prohibited from parking.

(d) No dismantled or wrecked vehicle shall be stored in a part of a residential zone for more than (7) seven successive days.

Certain incidents have occurred over the past week involving the possible contravention of Section 2(c) above. In consequence all owners and/or operators of vehicles falling into the category outlined by this section are required to govern themselves accordingly.

It is also brought to the attention of all owners and/or operators of motor vehicles that they should become familiar with the provisions of the whole of the above noted section and govern themselves accordingly.

The full cooperation of all concerned is earnestly solicited.

Drayton Valley on Caravan Itinerary

Drayton Valley is among Alberta Communities to be visited by Alberta Caravan Exhibits, a privately-owned exhibition, supported by a charitable non-profit foundation.

Tentative date for appearance in Drayton Valley (to be confirmed later) is September 19, 20, 21 and 22. The caravan is also seeking permission to locate at the Centennial Civic Centre parking lot for the exhibition here.

At the present time the caravan consists of four exhibition trailers and one power unit. The exhibition trailers have been sponsored by exhibitors with varied interests and objectives, and each tells a story in a unique way.

The objective of the Mount Royal trailer is to acquaint visitors with the new concept of the Community College which offers virtually anyone with a High School diploma, or over the age of 18, the opportunity for further education. Exhibits in the trailer consist of photographs and audio-visual equipment portraying the rapidly changing times in the world of today. This display will be of interest to High School students and adults.

The theme of the Glenbow-Alberta Institute trailer, "They Came West" illustrates the Western Pioneer. The first section of this trailer displays an exhibit relating to the journey of Anthony Henday, as the first white man to visit what is now Alberta. Next is a fur trade exhibit with particular emphasis upon the objects of European culture which were introduced to the west. This is followed by exhibits featuring early ranching after the buffalo diappeared, maps of charts of surveys, the coming of the railroad and finally the settling of the land by homesteaders.

Riveredge Foundation trailer features over 50 mounted specimens of animals and birds from various parts of the world. The trailer is divided into four distinct areas, the first section representing the four seasons, the second a cave area, the third a jungle area. Lastly is the conservation area showing rare vanishing and extinct specimens. This trailer has proven extremely popular with people of all ages, and particularly so with grades 1 to 6 pupils.

The Banff School of Fine Arts trailer includes exhibits of paintings by students and staff; samples of ceramics done in the school and a presentation of films, slides and photographs depicting the activities of the school. This trailer appeals to certain people of all ages.

BUCK CREEK NEWS

The Buck Creek ladies ball team played the Lindale ladies ball team on Wednesday evening with Buck Creek the winners.

Mr. and Mrs. Buster MacDonald and Kenny are on a trip to the West coast and Vancouver Island.

Mr. and Mrs. Buster MacDonald celebrated their 30th wedding anniversary on June 6th with friends and relatives coming from Calgary and Edmonton.

Mrs. Norma Malin had her grandmother, Mrs. Madden of Lacombe visiting with them for a week. While she was here they motored to Slave Lake to visit Leo, who had the unfortunate accident of losing a thumb and forefinger in a pulley on the gravel crusher.

Mrs. Norma Malin and family attended the air show at Namao airbase last Saturday.

Mrs. Katherine Morton, Ed Gaudet's sister, of Hillsboro, New Brunswick, has been visiting the Gaudets in Drayton Valley these past two weeks. This is the first time in the last 16 years that Ed and his sister have seen each other. Many of Buck Creek will remember her son, Henry Morton, when he worked for Ed in the garage.

The Buck Creek School children were treated to a trip to the Parliament buildings and Story Land Valley Zoo in Edmonton on Friday.

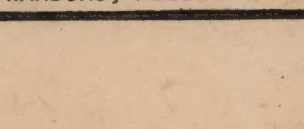
Miss Burgos's grade 6 class of the Breton School were taken to Edmonton where they enjoyed a tour of the Parliament buildings and also the Provincial Museum and Archives of Alberta.

Mrs. Norma Malin attended the janitors picnic at Wizard Lake on June 12th.

Miss Cindy Safronovich was the grade 7 winner of the Pin and Bar Award for academic standing in her school. She also won honorable mention in Home Ec.

The Buck Creek Auto Club would like to thank all those who attended the Bar-B-Que on Friday evening. Special thanks to the chefs and ladies who helped with the preparation. Also thanks to the Community Club for the use of the hall and to the Curling Club for their share of monitary help.

The next community club bingo will be held July 2nd at 8 p.m. in the hall.



Parkland Notebook

Registrations in the east end of the County for the swim program was rather heavy, as reported by program supervisor, H.M. Grande. July is booked solid and only limited registrations can be accepted for the August program.

However, the west end of the County had lighter registration than last year and it is hoped more people will contact the recreation office to take advantage of these "Learn to Swim" classes. It is possible that some routes will be cancelled out if more children are not registered. The program can only be as successful as the parents co-operation allows, or until more swim facilities are available in the County.

****

The Parkland Regional Recreation Department and the Parkland School Committee, with co-operation from the Department of Youth, are providing an opportunity for interested students, grade 10 and 11, to participate in a three year Recreation Leadership Training Course.

The course will be held at Stony Plain Memorial High School, starting the first week in October, 1970, for 30 weeks. The course will have a broad general curriculum in the first year of training. Second year will give the student opportunity to specialize in various activity fields. Third year students will operate on an in-service basis with direct field work training under guidance of qualified leaders.

Course content: Arts and Crafts, Dance, Drama, Games, Athletics, Hobbies, Music, Public Speaking, First Aid, Practice teaching, Program Planning, Special Events, Public Relations, and Recreation Philosophy.

No fee is charged. Application forms obtainable from your principal at the Parkland Regional Recreation Office. For further information call 777-2211.

Skating School Opens Monday

The summer skating school will be opening on Monday, June 29th. A total of 55 skaters have registered for the school.

Registrations are still being accepted and forms will be available at the arena on opening day.

Post Offices Open For Summer

G.G. Walker, Director of Postal Service for the Edmonton area has announced the opening of summer post offices at Aspen Beach and Lakedell.

The offices will open June 30th and remain in operation until August 31st.

Hair Goes To Good Cause

At last week's Lions Club meeting John Braybrook offered his long hair in a good cause. His hair was raffled and raised close to $30 for the club funds. Winner of the draw was Wayne Peterson shown taking a tentative snip at John's hair with a little encouragement from an expert, Dutch Van Dorp (R). Banker Peterson looks a little out of his element in the hair cutting business, but not half as leery as the cuttee, young Mr. Braybrook. "Oh, well," John said, viewing the carnage later, "I'm getting married in August, and probably would have had to get a haircut, anyway."

MAGNOLIA NEWS

Two couples of the community celebrated their wedding anniversaries on June 14th. Mr. and Mrs. Charles Anderson commemorated 48 years of married life. Mr. and Mrs. Al Roth celebrated their 25th anniversary. Congratulations from all your friends.

Betty McDougall has finished her stay in Entwistle and is now home again.

David Negraiff celebrated his 5th birthday on June 12th with a family party. Happy birthday David.

The Roth boys held an anniversary supper for their parents on Saturday, June 13th. Those present were Al, Alma, Danny and Coreen; Leroy, Marian and Misty; Glynne and Maxine; Darrel and Gaye; as well as Allan and Linda Blanchett. Alma tells me it was a lovely party.

The Little Canadians played against Seba Beach at Magnolia on Thursday, June 11th. The score was 16-5 for Magnolia. The senior team played at Darwell Sunday with a score of 4 to 1 for Darwell. They also lost to Sangudo at Magnolia on Sunday 9 to 1.

Miss Judy Oman paid a surprise visit to Lawrence and Ivy Anderson this past week. Judy has now completed her doctor's training in Vancouver.

Bill and Muriel Whale and their two children spent Sunday with Dean and Betty Strangway and family. They took in the ball game at Magnolia.

Allan and Beth Brown visited with his folks this weekend. Folks will be interested to know that Allan and Beth are going to the states for two months so that Allan may further his training.

Al Roth is the proud owner of a new 1970 Chev. half ton. It is green and white in color.

Len, Norma and Sherry Williams attended the wedding of Remi Boddez and Dianne Williams on June 13th. Remi is Norma's brother. I'm told it was a lovely wedding.

Several local folks attended the wedding dance of Laurel Peck and Terry on Saturday, June 13. It was reported to be a very enjoyable evening, with music supplied by Langford's Orchestra.

Dennis and Karen Saretsky of Vancouver were recent visitors at the L. Saretsky home.

Mr. and Mrs. Pete Neilson of Edmonton also paid a visit to the L. Saretsky home when they were in the district.

Council Agrees to Change In Subdivision Location

At its last regular meeting Town Council approved a request from Mr. Len Hogarth to relocated the proposed mobile home subdivision from a site near West Valley Park to a portion of the H. Deby property south of industrial sites on 50th Avenue.

The new location is immediately south of Halliburton and industrial sites west of the Matador Motel.

Mr. Hogarth requested the release from his earlier contract near West Valley Park on the basis that the second site would be more suitable to park residents being closer to the downtown area and schools.

The second site was also the choice of Edmonton Regional Planning Commission which felt the first alternative did not conform to future planning of the area. The new location also represents a saving to the town in the installation of streets and sewer and water services.

Councils' approval was contingent upon an adequate buffer strip between trailers and the industrial area.

COUNCIL BRIEFS

At its last regular meeting Town Council approved a subdivision application from J. R. MacKenzie for developing a truck transport terminal at the northern edge of town.

* * *

Bylaw No. 505 authorizing the sale of two residential lots to Amoco Petroleum was given three readings by council.

* * *

Council confirmed action taken to control use of water in the town during the summer months.

* * *

Permission was granted for use of town police facilities by the R.C.M.P. after July 1st and until the force's accommodations are ready for use.

* * *

Complaints about burning of garbage in town were discussed. The burning of objectionable material is not permitted and can lead to prosecution under the nuisance bylaw.

* * *

Mr. Art Woods, present at the meeting, agreed to a Council request that the ten acres being retained by him in the land sale south of West Valley Park, be located immediately south of the oil lease and south to the boundary of the quarter section.

* * *

Council, in considering the summer shortage and long-range water supply problem, approved a letter to various engineering firms with a request for quotations on what a study of additional sources of water would entail.

* * *

Approval was granted for the purchase of a self-propelled mower for the Public Works Department.

* * *

Council approved the extension of water and sewer lines to serve Block 45.

ALBERTA WOMEN'S WEEK

Need a break from the routine chores of housekeeping? Well, mom, pack your bag and plan now to take in four days or even one day of enlightenment at Alberta Women's Week, July 13-16 inclusive at the Olds Agricultural and Vocational College.

I can already hear the replies-"I can't desert my family for four days!" Why not venture forth with a carload of women for even one day? To give you an idea of the "action", I've outlined the week's highlights below:

Handicraft Workshops - each of the three mornings featuring tie and dye, découpage, and a fortrel dress.

Gaps and ways to bridge them-Glen Marsh, Leadership Branch of the Alberta Department of Agriculture will discuss communication and oneself at two morning sessions.

Landscape Design - Dianne Douglas, Ornamentalist, Provincial Horticulture Station, Brooks, Alberta.

Fashion and Fabrics Show.

The Dollars and Sense of Benson's White Paper - Cal Brandley, Lawyer and District Agriculturist at Lethbridge.

"That Darn Cat" - Walt Disney production.

Concerns and Developments - Walter Coombs, Provincial Director, Alberta Mental Health Association.

Knock, Know, Who's There -- Ron Con, Citizenship and Immigration Liaison Officer.

For more detailed information, programs and application forms contact the District Home Economist at 10426 - 81 Avenue, Edmonton 60 (433-8060) or Stony Plain, County Building (777-2231

TOMAHAWK

The Best Place to Live

Do you want to get away from high rent, high tax areas and still be close to the lake resorts and big centres?

If so, TOMAHAWK has much to offer. Many reasonably priced choice lots are available. Tomahawk has good roads, public sewer and an active fire department with trained crews. Two churches, excellent school facilities are available for junior and high school.

The village has a fully licenced Hotel, Garages, General Store, General Insurance Agency, Bulk Oil Dealers, Hardware Store and Electrician, Transport Truck Service and other services. Sportswise it has an active Curling Club with a two sheet rink, a new skating rink (standard size) and a new recreational building for hockey, skaters and teen use. Also ball teams for every age.

Investigate and settle in Tomahawk, you'll be glad you did.

COUNTY OF PARKLAND No. 31
STONY PLAIN, ALBERTA

NOTICE OF INTENTION TO CLOSE PORTIONS OF HIGHWAY AS HEREINAFTER DESCRIBED

PURSUANT to the authority of County Council and as provided in the Municipal Government Act, NOTICE IS HEREBY GIVEN of the intention of Council to pass a By-Law to close:

All that portion of highway in the County of Parkland No. 31 in the Province of Alberta of record in the Land Titles Office for the North Alberta Land Registration District described as follows:

All of the road designated as Hillgardner Avenue in Block B, Subdivision Plan 3589M.C. in the south east quarter of section Twelve (12) township Fifty Three (53) range Twenty Six (26) west of the Fourth Meridian.

Reserving Thereout all Mines and Minerals.

Plans showing the location of the said highway may be inspected and information obtained in the County of Parkland Office, during the regular office hours, Monday to Friday, inclusive until 5:00 o'clock Friday, 10th day of July A.D. 1970.

Any person who claims that his land will be injuriously affected by the passing of the said By-Law and petitions to be heard, is requested to file his claim with the Secretary-Treasurer, County of Parkland No. 31, Stony Plain, by not later than 5:00 o'clock p.m. on Friday, 10th day of July, 1970.

AND FURTHER TAKE NOTICE that at its meeting to be held in the Council Chambers, at 10:00 o'clock a.m. on Monday, 13th day of July, 1970 or so soon thereafter as the matter can be conveniently dealt with, the Council will afford an opportunity to be heard to any person by himself or his agent who claims that his land will be injuriously affected by the passing of the said By-Law, who has petitioned to be heard as aforesaid and who appears at the said meeting.

In case the meeting does not take place on the 13th day of July, 1970, then at the first meeting of Council to be held subsequently thereto, the Council will afford any person by himself or his agent who has petitioned to be heard as aforesaid an opportunity to be heard at the said subsequent meeting.

DATED at Stony Plain, Alberta, this 5th day of June, 1970.

O.W. Schuster,
Secretary-Treasurer.

BUCK LAKE NEWS

Ede Drader entered her goat Caezar in the Rimbey Rodeo parade Saturday, June 6th. Now we are looking forward to seeing just what she will come up with for the coming Buck Lake parade which is just three weeks away from this Wednesday.

Congratulations to Gordon and Irene Foss on the arrival of their baby daughter Thursday, June 4th.

Trudy and Paula and Paul Huckerby have moved from Calgary to Buck Lake district. They are living on the Pete Duffy farm. Paul is working at the Delhi gas plant here.

George and Barbara McLeod celebrated their 25th wedding anniversary on June 23rd with an open house and dance.

Ron and Lynda Krysta went to Olds on June 4th to visit Lynda's sister, Donna Hayes, in hospital there.

George Fontaine has moved his sawmill home now for a while and is busy doing some painting at this time.

Mary Parker is home from her job in Red Deer to spend a few days with her family, the Clare Parkers.

Dewey Woods, Pat Patten, Cora Fontaine and David Hines all motored to Rimbey Friday, June 12th to attend a meeting of the Battle Lake Planning Commission on Tourism and Industry. Esther Fullerton went as a representative of the Ladies' Friendly Circle Club. Speakers were Mr. Bryant from the Department of Tourism and Industry and Mr. Harvey from the Department of Parks (provincial).

Tony Berezansky is out of hospital but is not yet able to go back to school.

Vera Bruzus, Cathy, Karen, Wayne and Doug were in Drayton Valley Saturday, June 13th, accompanied by Betty Bouch. Karen had to have her arm checked and it is coming along fine. We arrived just in time to see the Drayton Valley Evergreen parade, and it was very good.

Congratulations to Angus Prudden on his birthday which was on June 16th.

John and Sophia Zekonja and the girls were in Calgary on the weekend of June 14th to 16th.

The sincere sympathy of the district goes out to Ken Odegaard and family on the sudden, tragic death of his brother Leroy of Lacombe, on Friday, June 12th at Alderside, Alberta. Mr. and Mrs. Odegaard, Ken and Alice all motored to Calgary to visit Ken's sister-in-law and her son who are both in hospital there. The funeral was held in Lacombe on Wednesday, June 17th.

Jim Foster, Wes, Betty, Kathie and Irvin Bouck all motored to Edson on Sunday, June 14th to try some fishing in the creeks about 50 miles south of there. The fish were jumping, but weren't biting, and it was just a little bit wet and muddy. By the time they stopped for supper, the sun was shining beautifully and everyone enjoyed the days outing, hoping for better luck next time.

Sonny and Carol Siegel were in Edmonton Monday, June 15th to pick up the Honda 90 motorcycle they ordered for Pat and Linda.

The Great Plains barbeque which was held Saturday, June 13th was attended by several from Buck Lake.

Gary Foster came home from his job in the north on Friday, June 12th and it was reported that he was not feeling well.

Happy birthday to Shannon Hindes who celebrated her 11th birthday on Wednesday, June 17, also to Jamie Miller who was 8 years old on June 15th, and celebrated his party on June 17th.

Don Frickie arrived home on June 8th for a short stay. Jim and Mrs. Frickie took him to Edmonton on Wednesday, June 17th to catch the plane back north.

Dolly Foster had been at home from Breton Hospital for some time now, she will be confined to a wheel-chair for from 6 - 8 weeks.

There was a rather small attendance at the stampede meeting on Wednesday evening. Vera Brzus is in charge of the Workers Committee; anyone wanting to volunteer please phone her at 388-2129. The more workers we have the day of the stampede, the less each will have to do, then everyone can enjoy the day.

Congratulations to Tom Dunn on receiving the championship for his calf at the 4-H Calf Show and Sale held at Winfield on Farmer's Day, Friday, June 12th. Perry Larsen received reserve champion for his entry and his sister Jeanette had the third best calf and also the Best Rate of Gain. Doug Wasyk won first in grooming and his sister Peggy-Ann was second for grooming. These were all in the Maywood Club. Tom Dunn also received reserve grand championship, the second best of all the clubs entered. These young people deserve a lot and credit and congratulations to all of them.

Penny Dawson and Bill Tufty, Trudy, Paul and Pauls Huckerby all were at Norah and Mel's this past weekend.

During the time that the Fish Derby was on, there were 87 trailers and tents counted in the Buck Lake Park, and elsewhere, which proves it would be a very worthwhile venture to have our park and facilities enlarged a good deal, as the tourists are important to the economy of Buck Lake.

Mr. and Mrs. Gust Bergstrom spent the weekend at their cottage here.

The Swedish Council met for a barbeque steak dinner on the lawn of the John Molins, who were also spending the weekend at their cabin.

Mr. and Mrs. S. Peterson and family of Wetaskiwin have purchased the proerty of Ken Odegaard, formerly owned by Mr. George Funnell Sr. They are busy getting ready to build a summer cottage there.

Mr. and Mrs. Bill Bohning of Calgary visited with the Lawrence Bohnings and friends over the weekend.

Wilf and Goldie Anderson spent a week at the Wild Hot Springs at Lussier River, B.C. and did some trout fishing. Goldie's sister, Frances, and Roy Romero met them there and they all camped together for a week.

The Old Timers Reunion held at the Buck Lake Recreation Centre on Sunday, June 14th was a huge success with 106 adults, 46 of these were over the age of 65. Mr. Sam Johnson who farmed at Alder Flats, was the oldest one present, he is 88. Mr. and Mrs. Toth, both in their 80's were the oldest couple there, they will be married 57 years in October. They also farmed in the Alder Flats district, they now reside in Wetaskiwin, Mrs. Calloda Sandberg of Victoria, B.C. was the person who came the longest distance, she was a McKay. Two teachers, Mrs. Taylor of Wetaskiwin, formerly taught at Maywood School and also at Winfield during the time between 1930 and 1938. Mrs. Dorothy Doyle of Calgary, taught school at the old Buck Lake Schook, and at the Balsam School, neither of which are in use now. Mrs. Doyle still teaches school in Calgary with a Grade 6 class.

Melvin Becker rode in the horse race at the Drayton Valley Rodeo on Saturday June 13th and won first. Congratulations.

Wally Glenn and Sandy McLeod attended a family reunion at Markerville, Sunday, June 14th.

Weekend guests at the home of Pete and Kathleen Kiss were Ruth Kiss and the children.

At the home of Norman Inglis, visitors were Willie and Edna Krysta and family of Ponoka.

Joyce cooked dinner for 17 people on Sunday, June 14th.

Henry Brown had Wilbur and Leota Bussett and son of Tucson, Arizona, as weekend guests. At the Lawson Patten home were Gerald and Helen McLeod of Vernon, B.C. and Mr. and Mrs. Buck of Jaffrey, B.C. They all attended the dance here Saturday night and visited other relatives and friends.

A housewarming party was held at the home of Helen and Morris Trusset on Friday night, June 12th. Barbara McLeod showed the movies which she had made at their wedding.

Murlin and Judy Becker took Mrs. Iva Kramer to Wetaskiwin Saturday, June 13th and picked up a pony from the George McLeods for Colleen on the way back.

Birthday greetings this week go to Mr. Leon Brzus this coming Sunday, June 28th.

The Grade 9 Science class at the Winfield School were accompanied by their teacher, Mr. Hobbs and went by bus to the Armed Forces Day Saturday morning, June 13th. They had some tire trouble on the way back, which delayed them, but reported an enjoyable day. Those attending from Buck Lake were Lyle McLeod, Doug Wasyk, Gloria Pavely, Fern Johnston, Debbie Inglis and Debbie Bouck.

The last Minnihik landmark has been almost destroyed by vandals. This property is owned by Steve Hlavoy.

More Nabob coupons are needed to purchase a coffee urn for the community.

People camping in the park had three food hampers stolen - isn't that a dirty trick?

Sunday visitors at the home of Sonny and Carol Siegel and family were Ken and Cheryl Smith, Bob and Dorothy Allan (who were married Friday, June 12th) all of Edmonton. Cheryl is Carol's niece.

Mr. and Mrs. Gordon Mierau and family have rented a cabin from Goldie Anderson.

Lawrence Bohning's tent was burned up when Brian and Ricky were there for the weekend.

Mrs. Bill Doyle and Donna were visiting in the district over the weekend.

Dohlman's Construction of Winfield have been asked to bulldoze the lakeshore at Buck Lake, so anyone having property there, now is the time to get that nice sandy beach.

Remember parents -- there is a curfew in the hamlet of Buck Lake, all children are to be home by 9:00 p.m. sharp.

We are all capable of more than we do.

Edges on the Figure Eight

If skaters had to choose between skating in the summer and skating in the winter, many would prefer to attend a summer school. This is because a summer school has concentrated and continuous classes, called sessions, throughout the day. The skater is given the opportunity to choose the appropriate lessons with convenient times. This arrangement leaves him spare time to relax. Many skaters prefer, however, to stay at the rink during their "off" hours, watching other skaters and other techniques. All of this is educational and therefore beneficial to the young skater.

A summer school sttracts applicants from many communities which do not have the facilities for summer skating. Hometown skaters often meet new friends with common interests. On the ice these "out of town" skaters, having different training backgrounds, tend to stimulate new ideas.

Most of the major competitions take place in the winter, therefore, summers can be utilized either for test or competition preparation. The skater has the opportunity to take tests twice in a two month school. On the other hand the skater may use the time preparing a solo for winter's competitions.

Skaters almost always find a summer spent skating far more worthwhile than any other kind of vacation.

Couple Honored On 25th Anniversary

During the afternoon of June 14th, 1945, Alma McCracken became the lovely bride of Alvin Roth in the Magnolia Church. Since this couple are now the bride and groom of 25 years, the community held a surprise 25th wedding anniversary party for them in the hall during the evening of June 12th.

A good crowd of friends and relations arrived to congratulate Al and Alma and to enjoy an evening of visiting and dancing. Folks came from as far as Drayton Valley, Spruce Grove, Whitecourt, Edmonton, and Pembridge.

Several hours of dancing were followed by a lunch. After the mid-night repast was finished, gifts were presented from the community and from several relations.

Both Al and Alma made very gracious thank you speeches for the gifts and for the evening. While they did say "thank you" at the hall, they wish to have an expression of thanks sent to all who couldn't attend and also to those who worked to make the evening so enjoyable.

Al and Alma have lived most of their lives in this community. They have spent their married life on their home farm and have raised four boys and one captivating little daughter.

The community wishes you both many more years of married life together.

New Stedmans Distribution Centre

The Honourable Dalton A. Bales, Q.C., Minister of Labour and MPP for York Mills in Ontario officially opened Stedmans new, two million dollar Home Office and Distribution Centre on Monday, June 15th at 7622 Keele Street in North Toronto.

This vast, 312,000 square foot complex, with its huge parking lots and spacious lawns and gardens is the nerve centre for Stedmans 340 Company and Associated Stores, located from coast to coast in Canada.

Stedmans is the Associated franchise store in Drayton Valley owned and managed by Alex B. Zubot. This store has now been in operation associated with Stedmans for the past five years.

Due to the rapid changes in today's merchandising and in order to keep the 340 stores across Canada up to date Stedmans have annual convention seminars. The latest convention was held in Toronto on June 1st to 3rd attended by Alex and Isolde Zubot.

The past 1 1/2 years of Stedmans growth has been concentrated on the introduction of the computer system into their operation. The introduction of a Customers Credit card system for Associated stores is now under consideration and expected to be in effect in the near future.

FRUIT AND VEGETABLE OUTLOOK

Despite increasing per capital consumption of fruit and vegetables, the Canadian horticultural industry faces a huge challenge in the coming decade.

Dr. G. R. Purnell and J. R. Burns of the CanadaDepartment of Agriculture's Economics Branch say the battle for fruit and vegetable markets during the Seventies will be fought and won by keeping one step ahead of the competition.

E.S.Y. Receipts (Jan.-May '70)	118,549	87,224	31,324	----	3984

SUMMARY

This week's higher receipts were about normal for the season and about equal to the volume for the same week in 1969. Offerings were mainly replacement classes along with increased offerings of cows. Trade opened moderately active on slaughter cattle at steady prices on all classes. Slaughter steers and heifers were under pressure early in the week and closed 75 to 1.00 lower. Good dry fed cows steady, grass and lower grade cows a full 50 lower. Bulls were steady. Calves unchanged. Heavy replacement cattle 50 to 1.00 lower, light weights fully steady to firm.

SLAUGHTER CATTLE & CALVES

Choice slaughter steers opened steady with sales to 30.60 with undesireable light weights discounted 50 cents. By mid-week buyers were very selective as to weight and condition and prices declined on all grades with choice handy weight steers topping 29.75 in closing trade. Butcher heifers met the same buyer resistance and prices closed 75 lower with a few choice butcher weight heifers selling to 27.00. Again, lighter weight slaughter heifers were selling slow under discounts. There was little change in the price of good dry fed cows which sold throughout at a practical top of 22.50. Grassy cows and lower grades were off 50 to 1.00 as the week closed. Bulls were generally steady throughout the week with a few sales over 27.00. Veal calves scarce and steady, odd sale to 55.00 during the week.

REPLACEMENT CATTLE & CALVES

Trade was generally active throughout with some pressure on heavier fleshy kinds which were 50 to 1.00 lower in line with declining slaughter prices. Stock calves, especially good grass kinds sold steady to firm throughout with sales over quotations.

SHIPMENTS

Out of Province shipments last week from the Edmonton Stockyards were: East, 55 slaughter, 65 feeders. West to B.C. 150 slaughter. Feeders to Southern Alberta 815. Export 37.

CLOSING QUOTATIONS

Stock Car Races Held Sunday

Fifteen stock cars took part in thirteen races run at the Triple B Oval last Sunday. Local cars and visitors from the Sangudo club were entered.

Winner of the 15-lap feature race was Don Kynoch of Stony Plain. At a meeting following the races, club directors disqualified Kynoch and banned him from the local track for one year.

Winner of the powder puff was Marion Kmyta with Frank Manysiak winning the pitmen's event.

Other winners were: 1st, George Mc Millan; 2nd, Ed Chymycz; 3rd, George McMillan; 4th, Kenny Halldorson; 5th, John Videsjorden; 6th, Ed Chymycz; 7th, John Videsjorden; 8th, Jerry Ball; 9th, Gary Williams; and 10th, Ed Chymycz.

Races are held every second Sunday at the oval with the next card slated for July 5th.

PARKCOURT NEWS

Mr. Fred Fausak spent several days attending a convention in Banff.

A capacity crowd from the district and Evansburg came to take in the Farmer's Day Picnic held at the hall on the 12th. A delicious hot chicken dinner on order from Edmonton started the day off at noon. This was followed by a horseshoe tournament, bingo, races, etc.

Mr. Paul Ohl was the lucky winner of the take a chance board which featured a handmade quilt done by the members of the Gay Gatherers.

In the evening, two local orchestras, the Laws and the Ohls put their talents together and supplied the music for the huge crowd which was in attendance. All reported a most successful day.

Mr. and Mrs. Roy Onstine, former residents of Park Court were out from B.C. and spent several days visiting with old friends.

Sorry to learn that Mr. and Mrs. Emil Langer were in an accident with their truck and Audrey was taken to hospital in Drayton Valley.

After all the hot weather, it is nice to finally get some rain, which besides helping the crops and gardens is also hopefully getting rid of some of the caterpillars.

Parade Winners

Judging of Evergreen Rodeo parade entries was held up awaiting films of the event and list of winners made available to The Western Review, Tuesday, June 23.

Winners were as follows: Industrial, McGregor Salvage; Commercial, Don McKenzies Mens Wear; Agricultural, Pembina Oil Field Fish and Game Association; Novelty, Dale Harke Trucking; and Equestrian, Arabian horses.

Winners are requested to contact Bob Doig before June 30th at 542-3326 or 542-3232.

Honorable mention was made of floats by Dial Oilfield Services, Frank Maddock High School, Swimming Club, Drayton Valley Hospital, and Drayton Valley Oil Wives.

BURTONSVILLE NEWS

The revival services conducted by Rev. and Mrs. Clyde Coxson of Bow, Washington ended here Sunday, June 14th. Rev. and Mrs. Coxson took a rest until June 17th and went to Red Deer to visit with relatives there until Wednesday when they will return to Mewassin where a 10-day series of meetings will begin. The meetings here were well attended and very inspirational.

Three year old Annette Greanya was unfortunate and got a cut on her head that took five stitches to close.

Melvin Combs, who came here with his parents from Oklahoma in 1913, and attended school at Shoal Lake, dropped in to visit one of his old school chums, Stanley MacDougall and his family last week. Stanley was surprised and very pleased. They had not seen one another for many years. Melvin is a cousin to Erwin and Floyd Combs who were raised in the Rocky Rapids area.

Bears are causing some concern around this area. There have been reports of two farmers who lost small calves.

Everyone was pleased to have such a nice rain the past few days. Now after the temperature of 34 above on Tuesday night, the sun feels wonderful again.

Accident Takes Life

A 26-year old Drayton Valley man, Ronald Lloyd Lougheed, was electrocuted Friday near Lodgepole.

He is survived by his wife and three children. The family moved here about a year and one-half ago from Rocky Mountain House.

Mr. Lougheed was killed while helping remove a back-hoe from a tractor-trailer unit on an oil lease when the arm of the back-hoe came in contact with a 13,000 volt power line.

Lodgepole News

Miss Lois Elliot has begun training in a Hairdressing Course at the Mar Vel Salon in Edmonton.

Welcome to Mrs. Armour who has moved here from Whitecourt. She will be joined by Mr. Armour and son Mark shortly.

Mr. and Mrs. Henry Elliot attended the lawn wedding of a niece at Grand Centre last weekend.

Mrs. Steve Broderson and son spent two weeks here with the Brodersons while Steve has been at work at Nordegg.

Mr. and Mrs. R. Baker had a short visit with her mother Mrs. Smith who motored here from Prince Albert. She was accompanied by two of her grandsons.

Mr. W. Broderson flew to Fort Simpson, N.W.T. where he is employed. Mr. Roy Fagervold has left for Quesnel, B.C.

Several families enoyed a community picnic at the Brazeau camp grounds last Sunday.

The Centennial picnic site at the north edge of town has been improved and is ready for your pleasure.

Mr. and Mrs. Harvey Allen and their three small sons from Edmonton spent a few days with his parents, Mr. and Mrs. Morris Allen.

Ingram Family Feted At Farewell Party

On Sunday, June 14th following evening service of Conformation by the Bishop of Edmonton, Rt. Rev. Gerald Burch, members of All Saints' Anglican Church gathered in the Parish Hall to say farewell to Rev. and Mrs. Ingram who move at the end of this month to the parish of St. Philip's, Edmonton. Mr. Jack O'Rourke, Rector's Warden, expressed his sorrow at the departure of such a fine man after eight years service to God in the community. Dr. Belcher, People's Warden, quoted II Timothy 4, vv 1-5, commenting that Rev. Ingram was such a man about whom St. Paul was speaking, who could preach the Word of God faithfully in spite of pressures to compromise from those who disapproved of the stand he took. A presentation of an envelope of money to be used to buy a dinner service was made to Rev. Ingram by Dr. Belcher on behalf of the parish.

Rev. Ingram in reply said how sorry he was to leave so many good friends, but he knew the friendship would continue through Eternity. He pointed out that Edmonton was no too far away for people to drop in and visit.

On behalf of the Women's Auxiliary, who provided the refreshments, Mrs. Gordon presented a commemorative spoon to Mrs. Ingram, and floral tributes were given by Janet Blecher to Mrs. Ingram, and by Agnes Stordalsvall to Mrs. Burch.

Broiler chicken production is climbing so fast that there will be strong pressure on prices this summer and fall; turkey poult placements are higher and prices will likely come under strong pressure during the summer months; the egg-producing industry could be in serious trouble in late 1970 and early 1971 unless culling of old birds increases sharply.

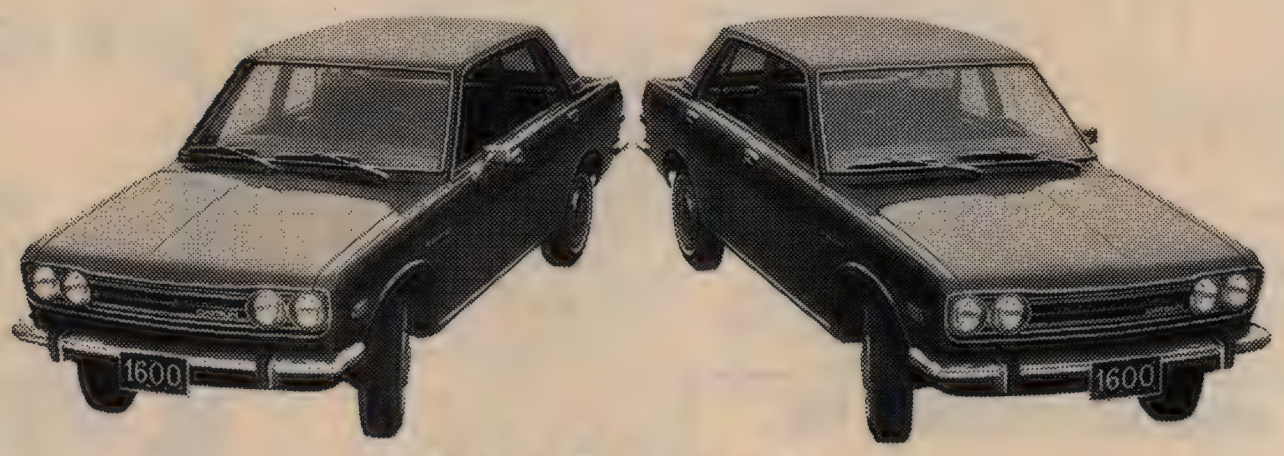
Before you spend over $4500 on a car think twice



Datsun 1600 isn't long like a big car, but it's big inside where it counts.

It doesn't have all sorts of optional extras, because everything on it but a 3-speed automatic transmission and a radio is standard equipment. Like carpet, flow-through ventilation, front disc brakes, bucket seats, whitewalls and textured vinyl upholstery.

More important, a Datsun 1600 will go anywhere a big car will go and a lot of places a big car can't. And on the way there, it will give you up to thirty-five miles for a gallon of gas and around 100,000 miles between major overhauls.

For around $4500 you get twin 2-door 1600's. Or a wagon and a 2-door. Or two 4-doors. Or just one Datsun and a bundle for your bank. No matter which way you do it you win, when you think about it.

mendations on the tenders for the Spruce Grove School:-

"Tenders were received from four companies. It was recommended that the lowest tender from Wescab Mfg. Ltd. for $16,734.11 be accepted. Also that since tha above did not bid on nine items that these be purchased from Imperial School Desks Ltd.

With regard to library furniture, it was recommended that the bids from Moyers and Canadian Library Services be accepted. Also, that for other items Lowe-Martin be considered.

It was moved and carried that the tenders for the furniture for the new Spruce Grove School be accepted as recommended by the Assistant Superintendent.

It was moved and carried that the Assistant Superintendent's report be accepted.

It was moved and carried that a guarantee of scholarship grant be made by the School Committee for unpledged funds for Rolf Beil to a maximum of $200 to attend the Royal Canadian Institute Summer Science Program at the York University in Toronto.

It was moved and carried that no support be offered to pupils attending school in the Yellowhead School Division until such time as a tuition agreement is signed.

SCHOOL BUILDING
DRAYTON VALLEY

A letter was received from the School Buildings Board advising that the Drayton Valley R.C.S.S.D. No. 111 has submitted a Statement of Need for accommodation for 119 high school students.

At a meeting held with the Board of the Separate School it was learned that they have no intention of offering high school but, since they cannot count the County pupils attending their school for building purposes, they were compelled to count their own high school students attending the County School. They felt that a tuition agreement with the County would eliminate this difficulty.

It was moved and carried that Mr. R.A. Bailey and Mr. J.W. Tyler be delegated as a committee to draw up a satisfactory tuition agreement with the Drayton Valley R.C.S.S.D. No. 111.

MAINTENANCE
SUPERVISOR'S
REPORT

Mr. E.W. Hillyer presented the following report to the School Committee.

1. Mr. Bradley's teacherage in Drayton Valley. This home is a Muttart Pre-fab of the early vintage and does not warrant an addition being built on. I would recommend that this family be offered other accommodation if available.
2. The teacherage that has been suggested moved in from Lodgepole to Drayton Valley, is 80 sq. ft. under the zoning code requirements for Lot 1, Block 38, in Drayton Valley. However, with the addition of an 8 ft. x 10 ft; porch, this would meet the requirement.

I would recommend that a full basement be placed under this building, using an access from the porch to the basement.

3. The portion of the Lodgepole School to be moved to Drayton Valley. This portion can be moved but should not be considered as a portable classroom unit. When placed in Drayton, it should be considered to eventually, make it into a music centre or put to some other permanent type use.

It was moved and carried that the teacherage in Lodgepole presently occupied by the Principal, be moved to Lot 1, Block 38 in Drayton Valley and be placed on a full basement at a cost not to exceed $3,500.

Mr. E.W. Hillyer advised that it is estimated that it would cost approximately $14,050 to move the portion of the Lodgepole School to Drayton Valley.

It was moved and carried that the portion of the Lodgepole School be not moved to Drayton Valley at this time.

It was moved and carried that the Maintenance Supervisor's report be accepted.

PORTABLE CLASSROOMS
DRAYTON VALLEY

It was moved and carried that application be made to the School Buildings Board for 2 portable classrooms for Drayton Valley for September 1, 1970.

A delegation from Spruce Grove came to see the School Committee about the termination of a contract.

They presented a petition with signatures of 139 students to retain a teacher on staff.

This matter was discussed at great length and decision was tabled until the next meeting.

A letter was received from the County Solicitors in which it was suggested that a new clause be added to the School Bus Contract stating that if a School Bus Operator, or a Driver employed by him should be charged with a traffic violation or criminal charge, such School Bus Operator or Driver would stand suspended until the disposition of the matter.

It was moved and carried that the present School Bus Contract be amended as suggested by the County solicitors and that they be requested to make such - amendment.

APPROACH TO
STONY PLAIN

It was moved and carried that the request for an approach to the Town of Stony Plain from the west be referred to County Council for consideration.

Mr. L.N. Miller reported that, after investigating the matter, it was found that the sidewalks at the new school in Spruce Grove were built in such a manner that it was not necessary to build any approaches.

A letter was received from Mr. S. Hodgson, Architect, advising that the changes requested by Spruce Grove in the kitchen of the gymnasium would cost an additional $380.

It was moved and carried that the estimate, in the amount of $380 for the changes in the gymnasium kitchen in the new Spruce Grove School be referred to the Village of Spruce Grove.

NEW JUNIOR HIGH
SCHOOL STONY PLAIN

The following letter was received from the School Buildings Board regarding a Junior High School in Stony Plain:-

Stony Plain Junior High School

At a recent meeting of the School Buildings Board regarding the proposed addition to the existing Stony Plain Junior High School, recognition of need, as given in our letter of September 30, 1969 was rescinded.

New recognition of need was given as follows:

FIRE HAZARD
MODERATE

INFORMATION SUPPLIED

Plus such other non-instructional areas as are deemed necessary to provide a functional educational unit and fall within the limitations set forth in the Regulations under the School Buildings Act.

It is to be clearly understood that the above recognition of need does not constitute authority to tender.

This recognition of need is based on, and subject on, and subject to, all conditions and maximum areas approved under the 1970 Regulations.

BUDGET FOR 1970

It was moved and carried that the Budget of Revenue and Expenditure for 1970 be adopted and that the Standard Supplementary requisition for the next 3 years be set at 6.12 mills.

It was brought to the attention of the School Committee that the water pump at the Seba Beach teacherages supplies water to all 4 teacherages. It is hooked up to Mr. W.J. Anderson's meter and has been that way since it was installed.

It was moved and carried that Mr. W.J. Anderson's rent for the Seba Beach teacherage be reduced by $10 per month, retroactive to September 1, 1969, to compensate for electricity being used to pump water to the other 3 teacherages.

The School Committee was advised that a Statement of Claim in the amount of $1,275 against the County has been received for the injury to Bruce Franks at the Duffield School. This matter has been referred to the County Insurance agent for attention.

All Saints Setting For Spring Ceremony

On June 6th, 1970 at 4:00 p.m. in the All Saints Anglican Church, Drayton Valley, Miss Carolyn (Lyn) Burrows, only daughter of Mr. and Mrs. Roy Burrows of Drayton Valley, became the bride of Mr. Stanley Luchak Jr., eldest son of Mr. and Mrs. Stanley Luchak Sr. of Calgary.

The bride and groom exchanged vows in a double ring ceremony, officiated by Rev. Gordon Ingram, before an altar decorated with white gladioli, white shasta daisies and lavendar mums. The pew markers were white satin bows centered with white and mauve for-get-me-nots.

Wedding music was played by the organist Mrs. H. Pederson and during the signing of the register Mrs. Marlene Fordham, a colleague of the bride, sang "O Perfect Love".

Given in marriage by her father, the bride looked radiant in an empire waisted gown of Peau-de-Elegance, featuring a yoke of Italian imported lace embroidered with pearls. Her train was also edged in lace and pearls and fell gracefully from the shoulders. A crescent of stephanotis, baby's breath, and seed pearls held in place her chapel-length veil of white scalloped tulle. Her only jewellery was diamond ear rings, a gift of the groom. She carried a cascade bouquet of Lily of the Valley, white Sweetheart Roses, Stephanotis, Baby's Breath and fern.

Maid of honor was Miss Anni Kahl of Onoway and bridesmaids were Miss Linda McMorris and Miss Cathy Yurchak of Drayton Valley, all friends of the bride. They wore identical gowns of lavender crepe and featured empire waistlines accentuated by purple velvet sashes and bows. Flowers in their hair matched their gowns and their cascade of bouquets were of white and mauve mums and purple statis.

The best man was Don Keech, cousin of the groom, and groomsmen were Brian Luchak, brother of the groom, and Dennis Rendflesh, a friend. Ushers were Rick Luchak, brother of the groom, and Bob Burrows, brother of the bride.

On leaving the church, an old English custom was observed, when little Miss Allison Roberts presented the bride and groom with a small silver horseshoe on a white satin ribbon, a symbol of good luck. It had been sent from England by the bride's maternal grandparents, especially for the occasion.

Approximately 200 guests were received at the reception in the Elks Hall, by the bride's parents, the groom's parents, and the bridal party.

For her daughter's wedding, the bride's mother wore a two-piece ensemble of mint green, English imported lace over taffeta, with white hat and accessories and a corsage of pink Sweetheart Roses. The groom's mother wore a two-piece ensemble of apricot Peau-de-Soie trimmed with pale ivory, a matching hat and beige accessories. She wore a corsage of white Sweetheart Roses.

The bridal table was centered by a three tier wedding cake, made by the bride's mother, and topped with a posy of white Sweetheart Roses, purple Statis and a silver cross. The tables were decorated with white candles and vases of white carnations and mauve mums.

A friend of the bride, Miss Judy Bechtloff was in charge of the guest book. Master of ceremonies was Mr. Bazil Shapke of Calgary, uncle of the groom. Mr. Norman Swendseid proposed the toast to the bride, which was ably replied to by the groom. Mr. Dennis Rendflesh proposed the toast to the bridesmaids.

Dancing followed the reception to the music of the Lorenz Orchestra of Evansburg.

Mrs. Marie Luchak of Edmonton was present for the wedding of her grandson, and there were relatives and friends from Calgary, Edmonton, Millet, Wetaskiwin, Camrose, Mulhurst, Barrhead, Medley, Blackfalds and Lethbridge

Congratulations and telegrams were received from England, Montreal, Vancouver, California, Ottawa, Dawson Creek and various other points in Alberta, British Columbia and Saskatchewan.

For her going-away outfit, the bride chose a coral wool pant-suit with beige accessories and a corsage of white Stephanotis.

A short trip was planned to Jasper and Banff with a months holiday in Europe and England in September.

The newly weds will make their home in Edmonton, where the bride is completing her third year in nursing and the groom his fourth year at the University of Alberta.

There is something that is much more scarce, something far finer, something rarer than ability. It is the ability to recognize ability.

EVANSBURG NEWS

Summer days are here again after having had a couple of days of rain which was welcomed by all the farmers in the area.

Mr. Mazeppa Sr. had himself a holiday when he travelled by train to Victoria to visit relatives. He came back by plane as a train derailment prevented the trains going through on schedule.

Visiting in turn, at the Mazeppa home and the Carlson home in Wildwood, were Mr. and Mrs. Jim Carlson of Vancouver. Mrs. Carlson is Mr. Mazeppa's daughter.

Mrs. Evelyn Hutchinson reports that although she did not win on a CFCW program, her relatives from Wetaskiwin were lucky prize winners for the week.

Several residents from the district attended the wedding of Mr. and Mrs. Chopko which took place in Wildwood recently. Mrs. Chopko is the former Theresa Szutiak who attended high school here in Evansburg.

The recent power failure cancelled out the Brownie supper which was to be held that same night in the Legion Hall. Due to the late date in the season, it is doubtful if another date for the supper will be set.

By this time all those hopeful little ones who attended school for three days to determine if they were ready for beginning school in the fall will have heard the verdict and begin making plans accordingly for the beginning of their schooling.

The gymkhana club held its regular meeting to make further plans for the jackpot gymkhana being held here on July 4th.

The directors of the Agricultural Society held their meeting recently at the home of Mr. and Mrs. Hutchinson. Fair books are now at the printers' and should be available to exhibitors soon. Various other events for the summer were discussed and it was reported that damage had been done to one of the exhibit buildings.

Members of the 4-H club held their regular meeting recently. Finals plans were made for the beef achievement day which will take place on July 7th. It was noted that most of the field crops members had their plots sown. Various summer activities were discussed, including the various trips some of the members were taking as well as tentative plans for a tour of some place. The members were notified that they were in charge of the entertainment during the supper hour at the barbeque on July 4th, so everyone is busy working on that. Work has begun on the float they wish to enter in the parade that day also.

The big one that didn't get away now rests in the freezer at the Langer home. One evening Mr. Langer went fishing in the Pembina River and caught a jack fish weighing 13 lbs. and measuring 38 3/4 inches in length. Needless to say this is strictly a trophy fish and will likely not grace anyone's table.

Quite a few of the village people took advantage of the beautiful weather and attended the Farmer's Day picnic at Park Court on June 12th.

Much activity may be seen every evening at the Museum building as the rush is on to have the displays in spic and span order for the 4th which is to be the grand opening day for this building. Anyone interested in this project is welcome to give a hand or even advice is welcome if that is all that can be given.

The Grade 10 and 11 students are, at time of writing, pouring over their exam papers. Soon now, they will have finished their school year.

A meeting of those interested people concerned with making the 4th of July Evansburg's big day, met at the office of Mr. Pete Peterson, the night of the power failure. Undaunted, these people discussed the events they had planned, until the sun went down and it was getting too dark to take notes. Then a resourceful member, Mr. Bowey, drove his truck around so the lights would shine in the office window and the meeting went on with indirect lighting of the latest fashion. Many plans were made for the big day. It is hoped that many will turn out for the free pancake breakfast which will start the day off. The actual weekend celebration will start on Friday night with a teen dance in the Legion Hall. Posters announcing the band playing, will be out shortly.

Following the Saturday morning breakfast, a parade is planned to go through the village. It is hoped that all the business places will have a float in this parade. By noon of Saturday, the museum building will be ready to open and MLA Jesperson will be on hand to do the honors. The afternoon will be devoted to a jack pot gymkhana for the horse lovers, horse shoe playing for those who wish to take part, and visiting at the museum building for those who wish to visit with old friends seldom seen. Since all the activities are near the same spot, visitors can see everything going on. And there is no need to carry tired and sleepy youngsters either, as the teen towners will have a baby sitting service near the Centennial Arena to take care of little ones.

To round off the evening, a barbeque will take place on the community grounds near the arena. This will be accompanied with entertainment in the form of a talent show. Bingo will follow in the school gymnasium.

A social dance for everyone is planned for Saturday night. Sunday, the museum will be opened for viewing of exhibits and golf will be the order of the day. Sounds like a well packed weekend of fun and entertainment.

Get well wishes go to Mrs. Langer who is in the Drayton Valley Hospital following an auto accident, and to anyone else who happens to feel under the weather

Confirmation Service

The Bishop of Edmonton conducted a Service of Confirmation at All Saints' Anglican Church on Sunday, June 14th. Parents, Godparents, families and friends were gathered to witness the following candidates, Cathy Yurchak, Caroline Keast, Betty Hodgson, Glen Hanson, and Agnes Stordalsvall make public the committment of their lives to Christ. They promised to serve Him and to take a full part in the life of the Church.

The inclusion of Holy Communion in the service for the first time was generally well received as the congregation shared with the candidates the profession of their faith. The experimental service of confirmation, in use in the diocese for the past year, aroused interest and mixed comment. Some considered the service too short and abrupt, while others though the true meaning of the Lord's Supper obscured by the new liturgy.

Retired Teachers Feted At Seba Beach Meeting

Three ladies who retired from teaching last June were honoured at a recent meeting of the Parkland County Local # 10 held at Seba Beach. These ladies were Miss Esther Jesperson, who retired from Stony Plain; Mrs. Fanny Elizabeth Davey, who retired from St. Anthony's School in Drayton Valley; and Mrs. Adina Brodie who retired from Winterburn School.

The following is a resume of their teaching careers and introductory biographies.

Miss Esther Jesperson -- Miss Jesperson was born on a chilly autumn day to a young immigrant couple, Andrew and Anne, five miles north of Stony Plain. Her Danish father and German mother were undoubtedly delighted with the advent of their first child. The family was similarily blessed seven times more.

Early in life, the little girl decided she was going to be a teacher. Her first instructor, at Glory Hills School, was Mr. Charles Price, grandfather of Bernie Huedepohl of Seba Beach staff. After completing high school in her own home, under the guidance of a tutor, Mr. Austin, the young lady attended Camrose Normal School.

With true pioneer wanderlust, the fledgling school marm accepted her first position at distant Kavanaugh. Life in the area was far different from what it is now. Where miles of wheat fields now wave, "Teacher" boarded with a Mr. and Mrs. Morrow who operated a lumber business. Following were a few years of study at Three Hills Bible Institute.

After some years of farming and community efforts, Miss Jesperson returned to the world of chalk dust and grammar. During the trying period of the 30's, she assisted a clever brother with higher education and also furthered her own education. After activity for consolidation of the school division, she moved with Glory Hills Schools to Stony Plain.

Those who worked with her know that Miss Jesperson's teaching has been industrious, of high academic standard and moral influence. All her life, she has been an ardent church worker.

In spite of fears that retirement would bring enforeced idleness, she is now busier than ever expanding her lifelong interests and hobbies. It is our prayer that she will continue to enjoy them.

Mrs. Fanny Elizabeth Davey-- Near Elkhorn, Manitoba, a second daughter was born to Mr. and Mrs. Mundy. Perhaps due in part to her early desire from travel, the family returned to England shortly thereafter. After a four year stay, the family returned to try their luck in Alberta at Lougheed. Here, Fanny's memories include wiping dust from dust storms off the plates before food could be put on them.

After the girls had grown up, Fanny became the bride of Arthur Davey. In 1931, the family which included two small children moved to a homestead a few miles south of Evansburg. (This farm will now be flooded by the dam that will be build to convert water from the Pembina River into Lake Wabamun.

Mrs. Davey has written some interesting articles about homesteading during the thirties. These articles appeared in The Western Review.

In 1955, after the children were grown, Mrs. Davey entered the Faculty of Education in the University of Alberta. Following, she taught at Duffield, Darwell, Entwistle, Leduc County, and St. Anthony's in Drayton Valley, from where she retired in 1969.

Mrs. Davey has many interests and a fascinating collection of articles. Among these is a restored "Jameau" doll made in France in 1876. All pieces except the original sheepskin wig are still there.

Since her retirement, Mrs. Davey has kept busy. She subs frequently, makes clothes, plays bingo and baby sits.

Mrs. Adina Brodie -- One often hears the term "dedicated teacher". Mrs. Brodie was the personification of this term. Teaching was her life. She brought to it enthusiasm, courage and optimism.

Nothing challenged her so much as a child who had trouble in learning, and she would spend hours of her time working with and encouraging the child, always with the conviction that there was improvement. She never lost her desire to go on teaching, although she is thoroughly enjoying the life of retirement.

Mrs. Brodie's impressive record of 42 years, 8 months, of teaching service was made in Alberta. She taught from 1919 until 1969 with only a four year temporary retirement as an interruption in her career. Her schools included those in the divisions of Lougheed, Robb, Clover Bar, Athabasca and Stony Plain. She retired from Winterburn in 1969.

FINGERPRINTING PLANT VARIETIES

Scientists at the Canada Department of Agriculture are develoing fingerprinting systems for plant varieties. The plant research is aimed at identifying the differences among the many varieties of each crop -- not the differences between crops.

A.G.T. Completing Cable Program

AGT is at present completing the cable laying in a $928,000 program which will provide coaxial cable long distance service between Breton, Calmar, Devon, Leduc, Thorsby, Warburg and Edmonton.

The following new facilities will be made available: Breton to Edmonton, 12 circuits; Calmar to Edmonton, 12 circuits; Devon to Edmonton, 21 circuits; Leduc to Edmonton, 12 circuits; Thorsby to Edmonton, 18 circuits; Warburg to Edmonton, 12 circuits; Leduc to Calmar, 12 circuits; Calmar to Devon, 9 circuits; and Devon to Leduc, 9 circuits.

Conduit was prepared at all locations last summer. Actual cable laying is now being completed. The new system, with its attendant long distance switching equipment, is scheduled to be put into service on February 21, 1971. Removal of the old open wire pole lines will then complete the project.

Buried cable results in more dependable customer service, lower maintenance costs, and the elimination of unsightly pole lines.

ALDER FLATS NEWS

Mr. and Mrs. Darrel Hammond and Mr. and Mrs. Dwight Kellgren were guests at the banquet and dance held for the County of Wetaskiwin school bus drivers, at Lone Ridge May 30th. Darrel received a scroll and pin for operating the bus 10 years without an accident.

Darrel Hammond and boys attended the horse sale at Ponoka on June 6th, while Margie and Candy visited with the Sheridans, they helped Grandma Sheridan celebrate her 78th birthday. A belated birthday greeting to Mrs. Sheridan.

Mrs. Sophie Stefura accompanied Mrs. Nora Maciborsky and Shirley to Vancouver last Thursday, they will arrive back home on Monday.

Mr. and Mrs. Raymond Maciborsky and family of Edmonton were weekend guests at the Bill Maciborsky's.

On Saturday evening, 24 friends from Wetaskiwin surprised Mrs. Howard Pearson, bringing belated birthday wishes. A delicious barbeque was held, and the picnicers kept dry in a shelter, despite the rain. The Arne Carlson family stayed for the weekend. A sincere thank you to all who came.

The Great Plains employees had their barbeque and dance on Saturday, June 13th. They also played a game of soft ball.

Mrs. Marjorie Miller arrived home on Friday from an Edmonton hospital.

Byron Larson started work on June 1st at the Delhi gas plant, for the summer months, and in the fall he intends to return to his studies at the U. of A.

Donnie Maciborsky left Saturday morning for Brooks where he is employed with Beaver Drilling.

Congratulations to Mr. and Mrs. Gordon Foss on the birth of a baby girl, June 4th, and to the George Berquists on June 4th, also a baby girl. Both babies were born at the Drayton Valley hospital. Mrs. Foss was the winner of the baby spoon.

COUNTY OF PARKLAND No. 31
STONY PLAIN, ALBERTA

NOTICE OF INTENTION TO CLOSE PORTIONS OF HIGHWAY AS HEREINAFTER DESCRIBED

PURSUANT to the authority of County Council and as provided in the Municipal Government Act, NOTICE IS HEREBY GIVEN of the intention of Council to pass a By-Law to close:
All that portion of highway in the County of Parkland No. 31 in the Province of Alberta of record in the Land Titles Office for the North Alberta Land Registration District described as follows:
All of the road diversions in the west half of section Twenty Five (25) and the west half of section Thirty Six (36) in township Fifty Three (53) range Twenty Eight (28) west of the Fourth Meridian and in the north east quarter of section Thirty Six (36) in township Fifty Three (53) range One (1) west of the Fifth Meridian under Road Plan 6037.
Reserving Thereout all Mines and Minerals.

Plans showing the location of the said highway may be inspected and information obtained in the County of Parkland Office, during the regular office hours, Monday to Friday, inclusive until 5:00 o'clock Friday, 10th day of July, A.D. 1970.

Any person who claims that his land will be injuriously affected by the passing of the said By-Law and petitions to be heard, is requested to file his claim with the Secretary-Treasurer, County of Parkland No. 31, Stony Plain, by not later than 5:00 o'clock p.m. on Friday, 10th day of July, 1970.

AND FURTHER TAKE NOTICE that at its meeting to be held in the Council Chambers, at 10:00 o'clock a.m. on Monday, 13th day of July, 1970 or so soon thereafter as the matter can be conveniently dealt with, the Council will afford an opportunity to be heard to any person by himself or his agent who claims that his land will be injuriously affected by the passing of the said By-Law, who has petitioned to be heard as aforesaid and who appears at the said meeting.

In case the meeting does not take place on the 13th day of July, 1970 then at the first meeting of Council to be held subsequently thereto, the Council will afford any person by himself or his agent who has petitioned to be heard as aforesaid an opportunity to be heard at the said subsequent meeting.

DATED at Stony Plain, Alberta, this 5th day of June, 1970.

O.W. Schuster,
Secretary-Treasurer.
